Hello, my name is Ian Berkeley-Hurst, and I am standing as the Brexit Party candidate to represent you as your MP for Wrexham.

The choice you have to make on Thursday 12th December 2019 is very important for our country and for Wrexham. Your vote could change Parliament and Wales forever.

The Brexit party National campaign pledges and reason for Brexit clean break from EU are here on my internet site http://www.ianberkeleyhurst.co.uk

My personal pledges for Wrexham if elected to Parliament are:

1. *To work with support services, charities, NHS Wales, Wrexham County Borough Council and private enterprise to resolve the rough sleeper issue in Wrexham.*

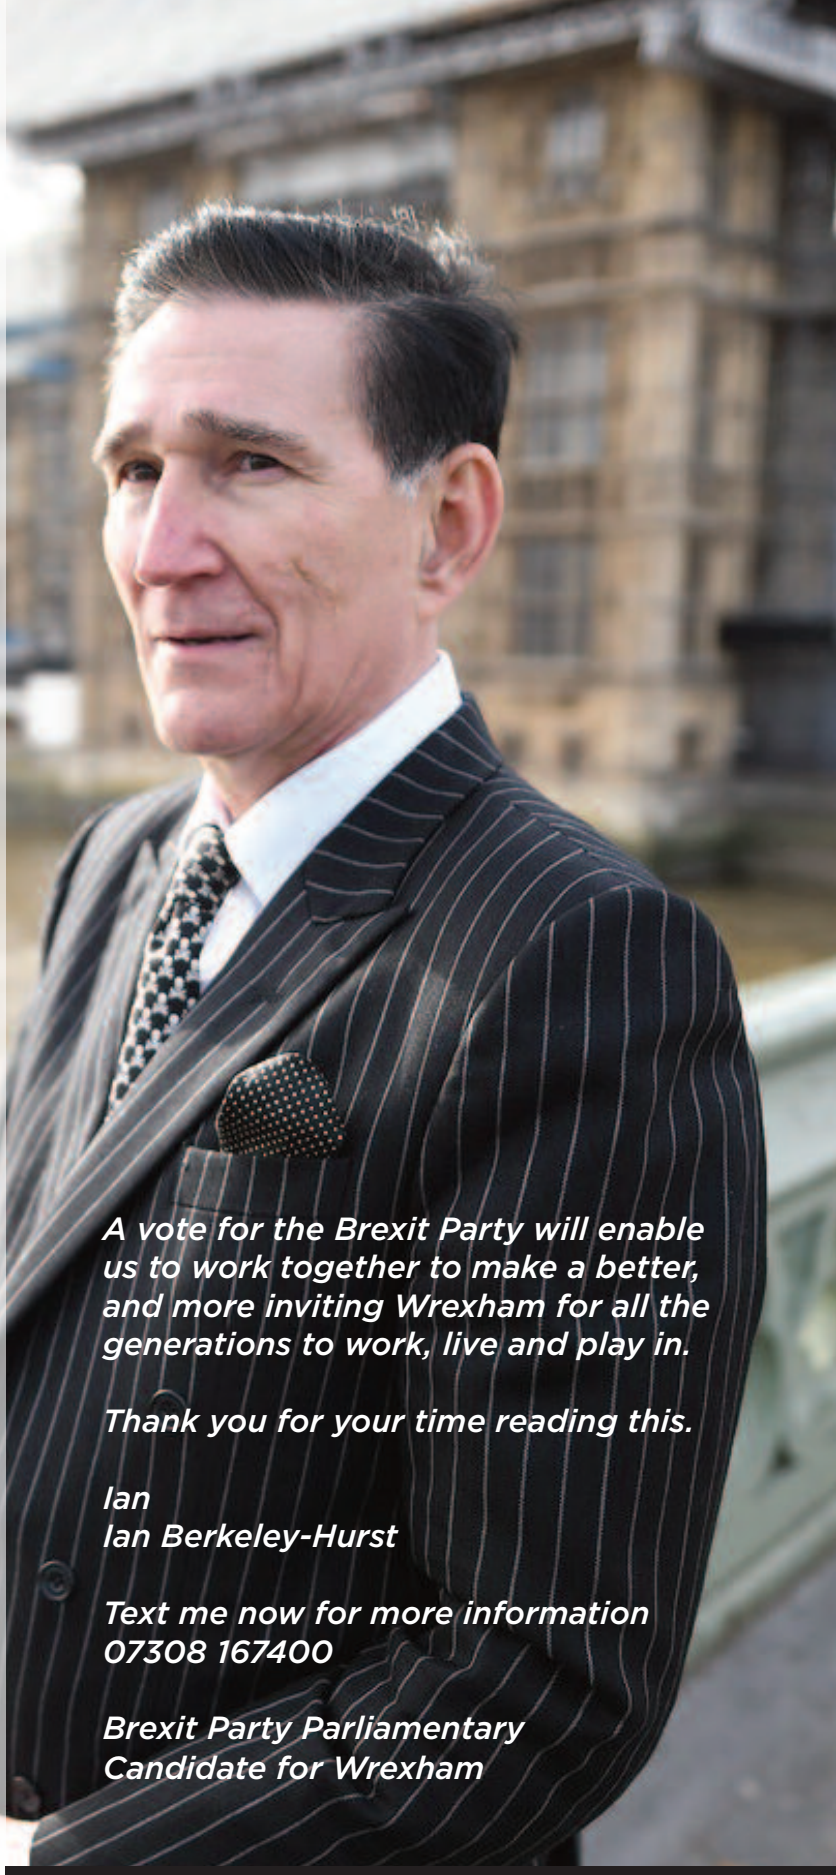
2. *To support and work with carers of all disabled people living in Wrexham to gain a better support deal from the local council, NHS and national government to make their lives easier and better.*

3. *To continue the great work of the Wrexham Small Business startup portal and to utilise the empty shops around the area for new businesses.*

4. *To begin the planting of thousands of trees, plants and bushes in Wrexham to begin the battle to beat global warming.*

5. *To obtain funding for more Police officers in Wrexham on the beat to deal with knife crime and drug use.*

Please consider the above before casting your vote.



A vote for the Brexit Party will enable us to work together to make a better, and more inviting Wrexham for all the generations to work, live and play in.

Thank you for your time reading this.
